## PINOT NOIR

### MONTEREY - CALIFORNIA

Our vineyards are situated along the coastal mountain ranges of Monterey, California. It is in this exceptional place that the cool maritime fog funnels into the valley each night. Then, the glorious light of California sunshine softens it away until the afternoon, when the winds sweep down from the northwest and the cycle begins anew. Upwelling drives the cycle of weather that shapes our unique terroir. The deep, frigid waters of the Pacific Ocean are pulled to the surface of the Monterey Bay which cools the marine air that hovers over the Monterey coast and sends the wind howling down the Salinas Valley.

### TASTING NOTES

Our 2016 Fog & Light Pinot Noir is as tantalizing and enigmatic as its name. Aromas of black cherries, plums, and crushed violet on the nose are followed by subtle notes of vanilla and a touch of spice. Enticing and complex flavors of red raspberries, ripe blackberries, and a hint of cola dance across the palate. A soft mouthfeel is framed by beautifully integrated tannins, balanced acidity, and a lingering, velvety fruit finish.
