

REDWICK

E S T A T E

Vintner's Blend

MONTEREY, CALIFORNIA

A Mediterranean-like climate of long, warm days allow full-bodied, *dark* fruit flavors to develop while nighttime cooling preserves the balance and structure of this supple wine.

WINE

Upon arrival at the winery, the grapes were crushed and fermented warm. Each component of our Vintner's Blend was handled and aged separately, only coming together at *show time*. Our red blend is composed of Merlot, Zinfandel, Syrah, Cabernet Sauvignon, Tempranillo, Grenache and Sangiovese. *Wicked, right?*

STYLE

Rich, bold and smooth, this wine is dangerously delicious and eminently drinkable. *Any questions?*

FLAVORS

Juicy aromas of blackberries, raspberries, plums, chocolate, vanilla and hints of allspice are the framework of this jam-packed *red blend*. Medium bodied, soft tannins, rich red fruit with a lingering mocha finish.

PAIRINGS

The perfect accompaniment for grilled meats, chicken, pizza and hamburgers. Or chocolates and dessert. Or all on its own. *Your choice.*

Rich. Bold. Smooth. Redwick Estate. Any questions?
