

CARYS (Care-iss) is a Welsh name meaning love. It's also exactly how we feel about our wines. The grapes are grown on our sustainably farmed estate vineyards and are blended to create balanced, refreshing flavors. One sip and you'll fall in love too.

## 2019 Pinot Gris

*Monterey, California*

Flavors of passion fruit and Asian pear dance on the palate, while enticing white peach aromas with a hint of orange blossom tickle the nose. Soft and balanced, the bright fruit flavors are complemented by a lingering tropical finish.
