

SUNNY with a CHANCE — of — FLOWERS

POSITIVELY SAUVIGNON BLANC

MONTEREY, CA

Sunny with a Chance of Flowers is a healthy lifestyle wine created to make you feel good inside and out. Zero sugar, low calorie, low alcohol and flat-out delicious, it seems too good to be true. But Sunny is the real deal – better for you and mindfully made. Sustainably farmed and produced by a family-owned winery in Monterey County, California, Sunny is made for those who revel in a full glass and a healthy pour!

WINEMAKING

Winemaker Casey DiCesare likes to say that flavors are made in the vineyard. That's why our grapes are left to hang on the vine to reach full maturity and flavor development before harvesting. Upon arrival at our estate winery, the grapes are crushed and fermented to dryness. Using proprietary technology, the alcohol is gently pulled from a portion of the wine, leaving behind an alcohol-free product. This share is then blended with the finished wine to find the sweet spot of flavor, mouthfeel and body.

The result? An 85 calorie per serving wine (30% fewer calories than an average serving) that strikes the perfect balance between zero sugar/low calorie/low alcohol and delicious flavor.

TASTING NOTES

Sunny with a Chance of Flowers fits into a healthy lifestyle without giving up the flavor and texture that make wine so satisfying and *mmmm*. Our Positively Sauvignon Blanc bursts with ripe guava, crushed pineapple, ruby grapefruit and fresh cut summer grass. Like a genuine smile, it is light, refreshing, joyful and cheery. Perfectly pairs with vibrant summer salads, goat cheese crostini, cauliflower crust Hawaiian pizza and most importantly, **the sunny moments in life.**
