

Chardonnay

Monterey, California

District 7 is all that Monterey as a winegrowing region has to offer. Named for our grape growing district within California, our winemaking team reaps the benefits of the exceptional fruit we produce, creating wines that are fruit forward, true to varietal character and a delicious reflection of Monterey.

TASTING NOTES

The aromas of our Chardonnay are fresh and extroverted with notes of yellow apple, pear and citrus, accented by hints of vanilla and coconut. Medium bodied, soft and balanced, the bright fruit flavors lead into a lingering subtle oak finish. This Chardonnay can accompany a wide variety of foods from soft cheeses to roasted chicken or seafood.

7

A close-up photograph of a wine bottle and a plate of food. The wine bottle is dark with a light-colored label. The label features the word "DISTRICT" in a dark, sans-serif font, with a large, stylized orange number "7" positioned between the "I" and "T". Below this, the word "CHARDONNAY" is printed in orange, followed by "MONTEREY • CALIFORNIA" and "ESTATE GROWN" in a smaller, dark font. The bottle is partially obscured by a dark, textured plate in the foreground. The plate contains several stalks of bright green asparagus, some of which are topped with a dark sauce. In the background, another plate is visible, showing spaghetti with a large, succulent shrimp. The overall scene is set on a light-colored, textured surface, possibly a tablecloth or countertop.
