Monterey, California

District 7 is all that Monterey as a winegrowing region has to offer. Named for our grape growing district within California, our winemaking team reaps the benefits of the exceptional fruit we produce, creating wines that are fruit forward, true to varietal character and a delicious reflection of Monterey.

TASTING NOTES

Our Pinot Noir is elegant with flavors of cherry, plum and raspberry, highlighted by hints of mocha, vanilla and smoky oak. The palate is rich, smooth and silky. This Pinot Noir is perfect with salmon, pork, lamb or soft cheeses.
