CHARDONNAY

PHILOSOPHY

Wine is a reflection of the land, the climate and the care taken. We are dedicated to sustainable farming and winemaking methods and believe these practices, along with the stellar quality of Monterey County, allow this Chardonnay to mirror our passion.

VINEYARDS

Our wines are crafted from fruit grown on sustainably farmed estate vineyards in Monterey County, California, where the maritime influence from the Monterey Bay causes cool days and temperate nights. With a marine layer that often lasts until mid-morning and consistently windy afternoons, the Central Coast's long growing season allows the grapes to ripen slowly and achieve intense fruit flavors.

TASTING NOTES

Bright pear and melon notes are balanced with hints of toasty oak and subtle vanilla highlights.
