2020 HARVEST CHALLENGE

Our 2018 Chardonnay bears the unmistakable aromatic and textural signature of the Riverview Vineyard. As with our 2017 vintage, this is a lavish wine that reflects the character and complexity of this windy, cool-climate property. The nose includes notes of yellow apple, pear, and mango with hints of toasted oak and lemon peel. The medium bodied palate is lush, round and concentrated with balanced acidity that has a lingering stone fruit and vanilla finish.
