2020 HARVEST CHALLENGE

The Riverview Vineyard has an unmistakable signature, an aromatic and textural thread that runs through all our wines. Our 2018 Pinot Noir is defined by its pure fruit and impeccable balance. The nose includes notes of bing cherry, cranberry, pomegranate and currants with a twist of vanilla spice and warm oak underneath. The palate is clean, plush, and structured with ample weight and a blast of bright red fruit. The finish is silky and elegant.
