

METZ ROAD

Chardonnay & Pinot Noir

Metz Road Wines are born from the passion to express the unique terroir of a single vineyard. Set along the eastern benchlands of Monterey's Salinas Valley in a cold-climate region, Riverview Vineyard owes its vinous personality to decomposed granite soils, morning fog and strong winds off the Monterey Bay some 40 miles to the north. These wines are native yeast fermented, non-GMO and gluten free.

Pure Expression of Terroir

- 100% Estate Grown
- 100% Riverview Vineyard
- In-vineyard native yeast fermentation on label

Sustainably Made

- 100% Certified Sustainable, with the CSWA logo on back label
- HACCP, BRC and GlobalG.A.P. Certified
- Environment Green Medal awarded in 2019
- Riverview Vineyard is SIP Certified
- Winery 100% powered by renewable wind energy
- Transitioning to 100% organic farming by 2025

93 Points
The Tasting Panel
