

Arguably the most important red wine grape in the world, a distinguished Cabernet Sauvignon is one of life's great pleasures. We choose our Cabernet sites carefully: warm days with lots of sunshine, cool nights to preserve the balance of the fruit, well-drained soils and gentle slopes.

AROMAS
Blackberry, elderberry, ripe plum and hints of tarragon.

PALATE
Bold and full-bodied, it is framed by elegant tannins, with lingering notes of black fruit, vanilla and mocha.
