## PETITE SIRAH

MONTEREY COUNTY  
CALIFORNIA  
2019

*Excellence is never an accident. It is always the result of high intention, sincere effort, and intelligent execution. – Aristotle*

Aristotle Petite Sirah is a balanced, full-bodied wine that is born from high intentions and sincere effort every day in our certified sustainable vineyards and winery.

### MONTEREY COUNTY

The Monterey County region is defined by morning fog, strong winds, broad temperature swings and intense sunshine. The warmer inland temperatures are moderated by the powerful influence of the nearby Pacific Ocean, which averages 50° throughout the year. Each and every day, the temperatures of Monterey County rise and fall precipitously, conveyed by fog, strong winds and bright sunlight. This triad of elements promotes the cultivation of Petite Sirah to superb and distinctive results. The long, warm days allow full-bodied, dark fruit flavors to develop while the dramatic nighttime cooling preserves the balance and structure of this supple wine.

### TASTING NOTES

Deep, intriguing, and intense, our Petite Sirah is sophisticated, yet approachable, and especially delicious. Aromas of blackberry, elderberry and blueberry lead into notes of vanilla and smoky oak. This full-bodied and well-balanced wine leaves you wanting another sip with its lingering bright black fruit finish.
