SAUVIGNON BLANC

When grown in temperate locales, Sauvignon Blanc delivers powerful, ripe, melon-like aromas and lush, round flavors. When grown in cold regions you can expect steely, grassy, and vibrant attributes. Our Sauvignon Blanc combines fruit from our warm- and cold-climate estate vineyards to create a wine that is bold, complex, and delicious.

AROMAS

Meyer lemon, lime kefir, stone fruit, green pear, guava, dried herbs.

PALATE

Crisp acidity lends a beautiful freshness and structure to this wine.
