

SUNNY with a CHANCE —of— FLOWERS

POSITIVELY CHARDONNAY 2019

MONTEREY, CA

Sunny with a Chance of Flowers is a healthy lifestyle wine created to make you feel good inside and out. Zero sugar, low calorie, low alcohol and flat-out delicious, it seems too good to be true. But Sunny is the real deal – better for you and mindfully made. Sustainably farmed and produced by a family-owned winery in Monterey County, California, Sunny is made for those who revel in a full glass and a healthy pour!

WINEMAKING

Winemaker Casey DiCesare likes to say that flavors are made in the vineyard. That's why our grapes are left to hang on the vine to reach full maturity and flavor development before harvesting. Upon arrival at our estate winery, the grapes are crushed and fermented to dryness. Using an innovative and proprietary process that features a two-stage filter, alcohol is gently and gradually pulled from the wine, leaving behind a reduced-alcohol product. **The result?** An 85 calorie per serving wine (30% fewer calories than an average serving) that strikes the perfect balance between zero sugar/low calorie/low alcohol and delicious flavor.
