

Chardonnay ∴ ESTATE GROWN · MONTEREY **METZ ROAD** 

Metz Road Chardonnay is a small-lot production, single-vineyard wine sourced from our Estate Riverview Vineyard. This cold-climate site owes its vinous personality to decomposed granite soils, morning fog, and strong winds off Monterey Bay. To preserve the intrinsic character of the Riverview Vineyard, we use sustainable farming practices and innovative winemaking techniques, including on-site fermentation with wild yeast.

AROMAS:

Notes of yellow apple, pear, and mango with hints of toasted oak and lemon peel.

PALATE:

Lush, round and concentrated with balanced acidity that has a lingering stone fruit and vanilla finish.
