

Pinot Noir ∴ ESTATE GROWN · MONTEREY METZ ROAD 

Metz Road Pinot Noir is a small-lot production, single-vineyard wine sourced from our Estate Riverview Vineyard. This cold-climate site owes its vinous personality to decomposed granite soils, morning fog, and strong winds off Monterey Bay. To preserve the intrinsic character of the Riverview Vineyard, we use sustainable farming practices and innovative winemaking techniques, including on-site fermentation with wild yeast.

AROMAS:

Notes of bing cherry, cranberry, pomegranate and currants with a twist of vanilla spice and warm oak underneath.

PALATE:

Clean, plush, and structured with ample weight and a blast of bright red fruit. The finish is silky and elegant.
