

VDR

Very Dark Red

Proprietary Red Blend

VDR is a non-traditional proprietary red blend headlined by a rare combination of Petite Sirah and Petit Verdot – two grape varieties known for their extraordinarily deep violet hues, concentrated flavors, and full-bodied profiles. We grow these grapes in the southern reaches of Monterey County, where warm and sunny days, followed by cool evenings, allow the grapes to develop the depth and intensity that is VDR.

COLOR

Rich, deep, dark garnet.

AROMAS

Ripe black cherry, blackberry, milk chocolate, black tea, rose petal, lavender, Madagascar vanilla.

PALATE

Full-bodied with smooth, supple tannins and a rich, round mouthfeel.
