

SUNNY with a CHANCE —of— FLOWERS

POSITIVELY CABERNET SAUVIGNON

MONTEREY COUNTY, CA

Sunny with a Chance of Flowers is a healthy lifestyle wine created to make you feel good inside and out. Zero sugar, low calorie, low alcohol and flat-out delicious, it seems too good to be true. But Sunny is the real deal – better for you and mindfully made. Sustainably farmed and produced by a family-owned winery in Monterey County, California, Sunny is made for those who revel in a full glass and a balanced pour!

WINEMAKING

Winemaker Casey Di Cesare likes to say that flavors are made in the vineyard. That's why our grapes are left to hang on the vine to reach full maturity and flavor development before harvesting. Upon arrival at our estate winery, the grapes are crushed and fermented to dryness. Using an innovative and proprietary process that features a two-stage filter, alcohol is gently and gradually pulled from the wine, leaving behind a reduced-alcohol product. **The result?** An 85 calorie per serving wine (30% fewer calories than an average serving) that strikes the perfect balance between zero sugar/low calorie/low alcohol and delicious flavor.

TASTING NOTES

Our Sunny Cabernet Sauvignon is a luscious wine, brimming with notes of blackberry, blueberry and currant that lead into a smooth vanilla finish. The deep berry flavors make it the perfect partner for stuffed portobello mushrooms, grilled steak, your favorite dark chocolate brownies or **sitting fireside with a good book.**
