

2020 ESTATE GROWN • **PINOT NOIR** • MONTEREY

---

Our 2020 Pinot Noir delivers the subtle elegance that can only come from sustainably farmed, cool-climate vineyards. Key aromatics include black cherries, currants and raspberries with notes of violets, vanilla and toasty oak. The palate is rich, smooth and silky with a lingering sweet oak finish. This Pinot Noir is the perfect wine to serve with salmon, pork, lamb or soft cheeses.
