

# MUNDAKA

Rosé

**APPELLATION:** CENTRAL COAST

**AGING:** STAINLESS STEEL

**ALCOHOL:** 13.0%

KNOWN AS ONE OF THE BEST LEFT BREAKS IN THE WORLD, THE MUNDAKA WAVE IN NORTHERN SPAIN IS LEGENDARY FOR AMAZING LONG RIDES. OUR WINES CAPTURE THE RUSH OF THIS EPIC BREAK.

## VINEYARDS

THE GRAPES FOR OUR ROSÉ ARE GROWN ON CALIFORNIA'S CENTRAL COAST, WHERE FOGGY MORNINGS LASTING UNTIL MIDDAY ARE FOLLOWED BY BRISK AFTERNOON WINDS AND TEMPERATE NIGHTS. THIS COOL CLIMATE CREATES IDEAL CONDITIONS FOR DEVELOPING INTENSITY AND COMPLEXITY IN THE WINES WHILE PRESERVING CRUCIAL ACIDITY.

## WINEMAKING

UPON ARRIVAL TO THE WINERY, THE GRAPES ARE WHOLE CLUSTER PRESSED AND FERMENTED COLD IN STAINLESS STEEL TANKS. MINIMAL INTERVENTION AND CAREFUL HANDLING IN THE CELLAR ENSURE THAT OUR ROSÉ IS FRUIT-DRIVEN AND CRISP.

## TASTING NOTES

MUNDAKA ROSÉ IS MEDIUM BODIED WITH LIVELY AROMAS OF CITRUS, PEAR, MELON AND TROPICAL FRUIT. WITH CRISP AND BALANCED ACIDITY, THE BRIGHT RED FRUIT FLAVORS SURF ACROSS THE PALATE IN THE LINGERING FINISH.
