

VDR

Very Dark Red

90 POINTS

VIN. 2020

Winemaker Challenge Competition

The opaque red-black hue of this blend of Cabernet Sauvignon, Merlot, Petite Sirah, Petit Verdot, and other reds—produced with 100% renewable wind energy and aged in French and Hungarian oak for 14 months—denotes a concentration that aptly matches its moniker. A nose of blackberry preserves and dark chocolate also shows depths of soil. Tongue-drying roasted-coffee tannins are a driving force to take the palate to a higher level: tarry, chewy, bold, and passionate. Within a balanced structure, VDR possesses power and energy that truly deliver.
