

# VDR

*Very Dark Red*

## THE CONSUMMATE CROWD PLEASER

Very Dark Red—the name speaks for itself. Effortlessly bold, it captivates the senses with an inherent confidence that draws you in. Slightly mysterious, yet unexpectedly approachable, this robust red blend reveals new layers of depth and personality with each lingering sip.

### A TASTE OF INDULGENCE

- ✓ Rich aromas of ripe dark fruit with subtle floral hints of lavender.
- ✓ Bold mocha and vanilla flavors create distinctive, indulgent moments with each sip.
- ✓ Supple tannins allow the cascading flavors to evolve over a lingering finish, whether sipped alone or paired with a meal.

### PAIRS SEAMLESSLY

Because of its unique taste profile, VDR is an enticing companion for both one's entrée and dessert. Pair VDR with:

- ✓ Beef tenderloin
- ✓ Baked ziti
- ✓ Fine aged cheeses
- ✓ And a decadent chocolate dessert

### WINEMAKING

A scandalous marriage of Petite Sirah and Petit Verdot:

- ✓ Expressive flavors hail from the Petite Sirah.
- ✓ Supple tannins stem from the Petit Verdot.
- ✓ Together, the blend is intensely hued and indulgent with a full-bodied palate.
