VIN. 2020 | THE TASTING PANEL, JULY 2022

“Aged in stainless steel with 30% new French oak for 14 months, the grapes grown for this wine come from certified sustainable estate vineyards. Scents of tarragon and basil bless a lively bouquet of lemon blossom and vanilla. The flavor profile speaks of ripe peach, green apple, and nougat. The liquid is pleurably juicy and mouth filling.”

-Meridith May
