BUYING GUIDE

90 points

90 **Sunny with a Chance of Flowers 2021 Chardonnay (Monterey County).** Chardonnay is a very challenging wine to make in a lower alcohol style, but this rendition works, presenting a mellow expression that has length on the palate. The nose begins with pastry flake, lemon tonic and wood spice aromas, and the palate adds lemon wedge, light almond and white rose petals to the mix. **Best Buy.** —M.K.
