

Best Wine Spritzer: Hoxie Spritzer (Grapefruit Elderflower)

Long gone are the days of cloyingly sweet, post-imbibement headache-inducing wine spritzers. Hoxie Spritzer is refreshingly different, with thoughtfully-crafted flavors beyond fruit-forward notes, like their Grapefruit Elderflower. Using a dry Riesling base with botanical extracts, the fragrance of fresh blossoms and cool spring water will take you beyond your backyard party and into the Californian landscape where their sustainable grapes are grown.
